The challenge is to allow Scripture to be the _filter_ through which we pour our beliefs and experiences.

Apostle means _Sent_ _One_.

I. This is when Christ established apostles.

A. Christ gave this gift of apostles to the Church beginning with the twelve.

B. Do all incline toward a gift in Ephesians 4:11?

C. Is having an inclination the same as having a gift at the Ephesians 4:11 level?

II. Jesus called these 12 from among His disciples.

A. Disciple means both a student ***AND*** an imitator.

B. Jesus appoints the twelve in public.

C. No one begins as an apostle without a history of being a disciple.

III. Jesus does not call the qualified. He qualifies the called.

A. Jesus had about one year to prepare them.

B. There is not a type that qualifies as an apostle.

C. These 12 were not better than other disciples.

- This is part of that commitment to stay true to Scripture and to stop grieving the Holy Spirit.
- This is all about Jesus.
