Revelation

- Over time, cozy can become cluttered.

If we want Jesus to take His rightful place:

I. We will have to clear the clutter and submit.

A. Too many of us are hoarders.

B. Being a man of God shaped his steps.

- He was just.

- He was tender toward God.

C. When one is tender toward God, generations are affected and redirected.

D. Joseph stayed flexible to protect the assignment God had entrusted him with.

If we want Jesus to take His rightful place:

II. We will have to declare: “As for me and my house.”

A. Joshua 24... Declare yourself.

B. Acts 10... If it is of God, want it really bad.

C. Acts 16... He and his household were saved.

D. Too often Joseph is treated as a “throw-in”.

E. Stand up. That’s what Joseph did.

- This a good time to reexamine the space you have given Jesus in your home.
