Revelation

- I. The resurrection story begins a new chapter.
 - A. The designation of chapters and verses was added in 1551 AD for the sake of convenience.
 - B. Resurrection becomes a dividing line of belief.
 - C. The story didn't end on the cross or tomb.

- II. This is the day heaven shook earth!
- A. Too often we think we get the final say.
- B. The women had a tender fear.
- C. How do fear and great joy coexist?

III. Enemies of God make it up as they go along.

A. When you live in fear, your mind will not rest from imagining what might go wrong.

B. They secured Roman guards and the stone.

C. Their mission – keep Jesus in the tomb.

D. As unreasonable as it may sound that Jesus rose from the dead, the alternative is ludicrous.

The truth is that these followers of Jesus lived the rest of their lives and went to their earthly death proclaiming that Jesus Christ rose from the dead.

These were fearful people who went
from cowering to declaring to everyone:

CHRIST AROSE!

Jesus won over death, hell, and the grave!!

Is today the day you turn the page??

A majestic lion with a thick, golden-brown mane stands on a weathered log. The lion is looking directly at the camera with a calm expression. The background is solid black, which makes the lion and the log stand out prominently. The lighting highlights the texture of the lion's fur and the grain of the wood.

Our mission:

To be a magnet, drawing people who need Jesus
to know and grow in him.
