THE GOAL IS

Restoration

I Corinthians 5-7 deals with morality
and ethics of believers.

- 
- I. I Corinthians 5:1-2 sums up what is at the root.
 - A. Immorality of the individual
 - B. Arrogance of the church body

- 
- II. I Corinthians 5:3-5 gives them Holy Spirit instruction to confront this sin.
 - A. Paul takes spiritual authority to pass judgment on this man's sin.
 - B. This sinful behavior is never ok with God.

III. I Corinthians 5:6-13 speaks to the church and church leadership about their responsibility.

A. 5:6-8 Paul says they need to understand the consequence of their arrogance.

B. 5:9-13 Hold people accountable who are in the church community, not judging those who are outside the church community.

III. I Corinthians 5:6-13 speaks to the church and church leadership about their responsibility.

C. CHURCH, we need to get this straight.

- God loves sinners.
- When the Spirit of God moves IN, evil has to move OUT.
- The more dead I am to myself, the more alive I am in Christ.
- The more we come alive in Christ, the more the grip of sin in us dies.

To be like Jesus we need to:

1. Show people enough grace that they can hear the truth.
2. Know if the person claims Christ.
3. Approach them from a place of love, not arrogance.
4. Approach them after a time of prayer and discernment.

The goal is restoration.
