Now and then I just need some Bible comfort food.

Psalm 23, Psalm 91 or Luke 4:17-19

If you see broken look for God to be <u>present</u> not <u>absent</u>.

- I. Rights laid down. I Corinthians 9:15-18
  - A. Paul is not doing ministry for <u>selfish</u> reasons.
  - B. We tend to see what we expect to see.

- II. Motives that drive. I Corinthians 9:19-23
  - A. Refresh your way of thinking.
  - B. I <u>WILL</u> do whatever I need to reach the lost.
  - C. ALL for the sake of the gospel

- III. Prize pursued. I Corinthians 9:24-27
  - A. Athletes are willing to work and <u>train</u> hard.
  - B. What we are training and battling for is far more <u>valuable</u>.
  - C. Preventative tip: If you want to be ready for what is <a href="next">next</a>, take your training serious <a href="today">today</a>.

I don't want to live with <u>regret</u> and I don't have to. We have a God who <u>restores</u>.

Church, it is now <u>our</u> assignment to bind up the broken.

It isn't in the easy times that we prove we believe in a God who restores, it is when we are in valleys.
