

The image features a stylized, layered background. At the top, a large, semi-circular sun is depicted with concentric bands of yellow, light green, and teal. Below the sun is a horizontal band of light beige, textured paper. The bottom portion of the image shows a dark, jagged silhouette of a tomb entrance, with a bright green area inside, suggesting a sunrise or light breaking through. The overall style is graphic and textured.

CHRIST IS RISEN

*Christ is Risen Indeed*

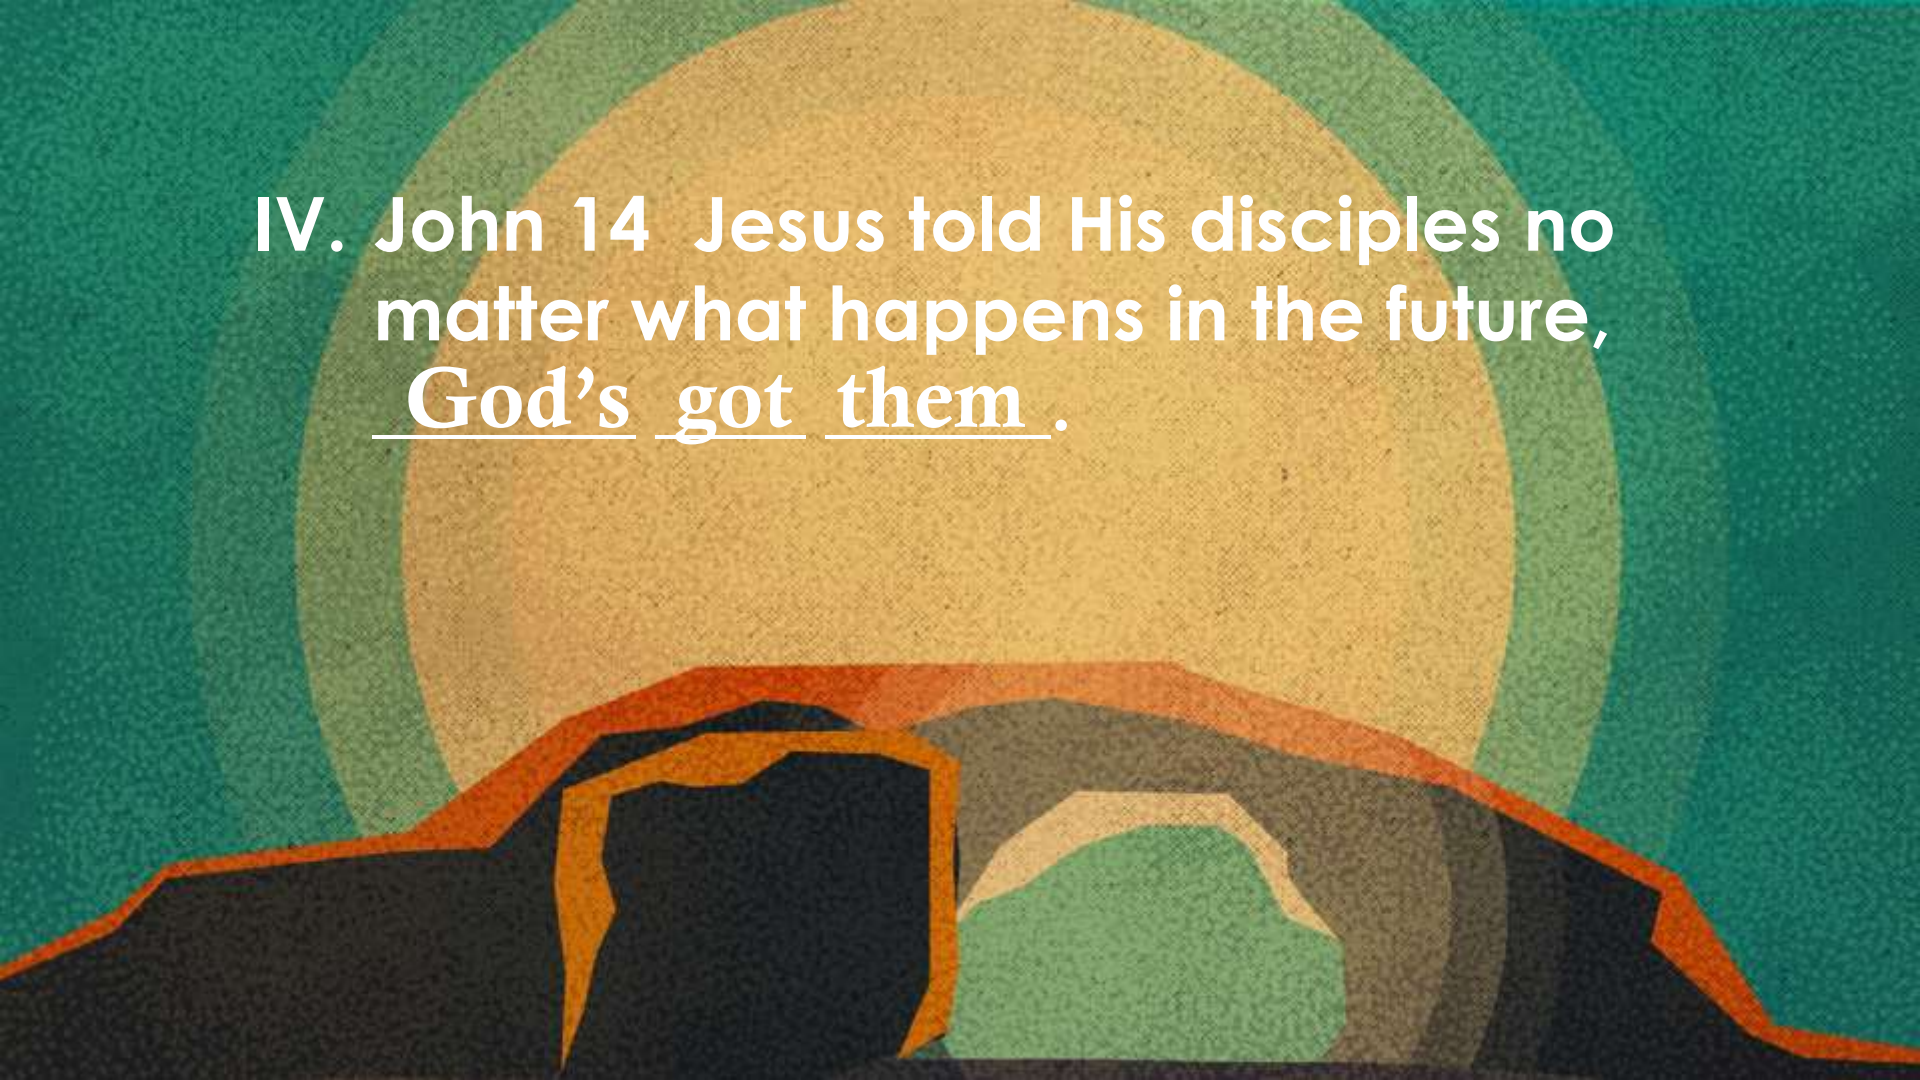

I. John 12:32 “When I am lifted up from the earth I will draw all people to Myself.”

II. John 12:42 Many of the authorities believed, but for fear of the Pharisees they did not confess it.

III. John 13 Jesus washed Judas' feet.

IV. John 14 Jesus told His disciples no matter what happens in the future, God's got them.

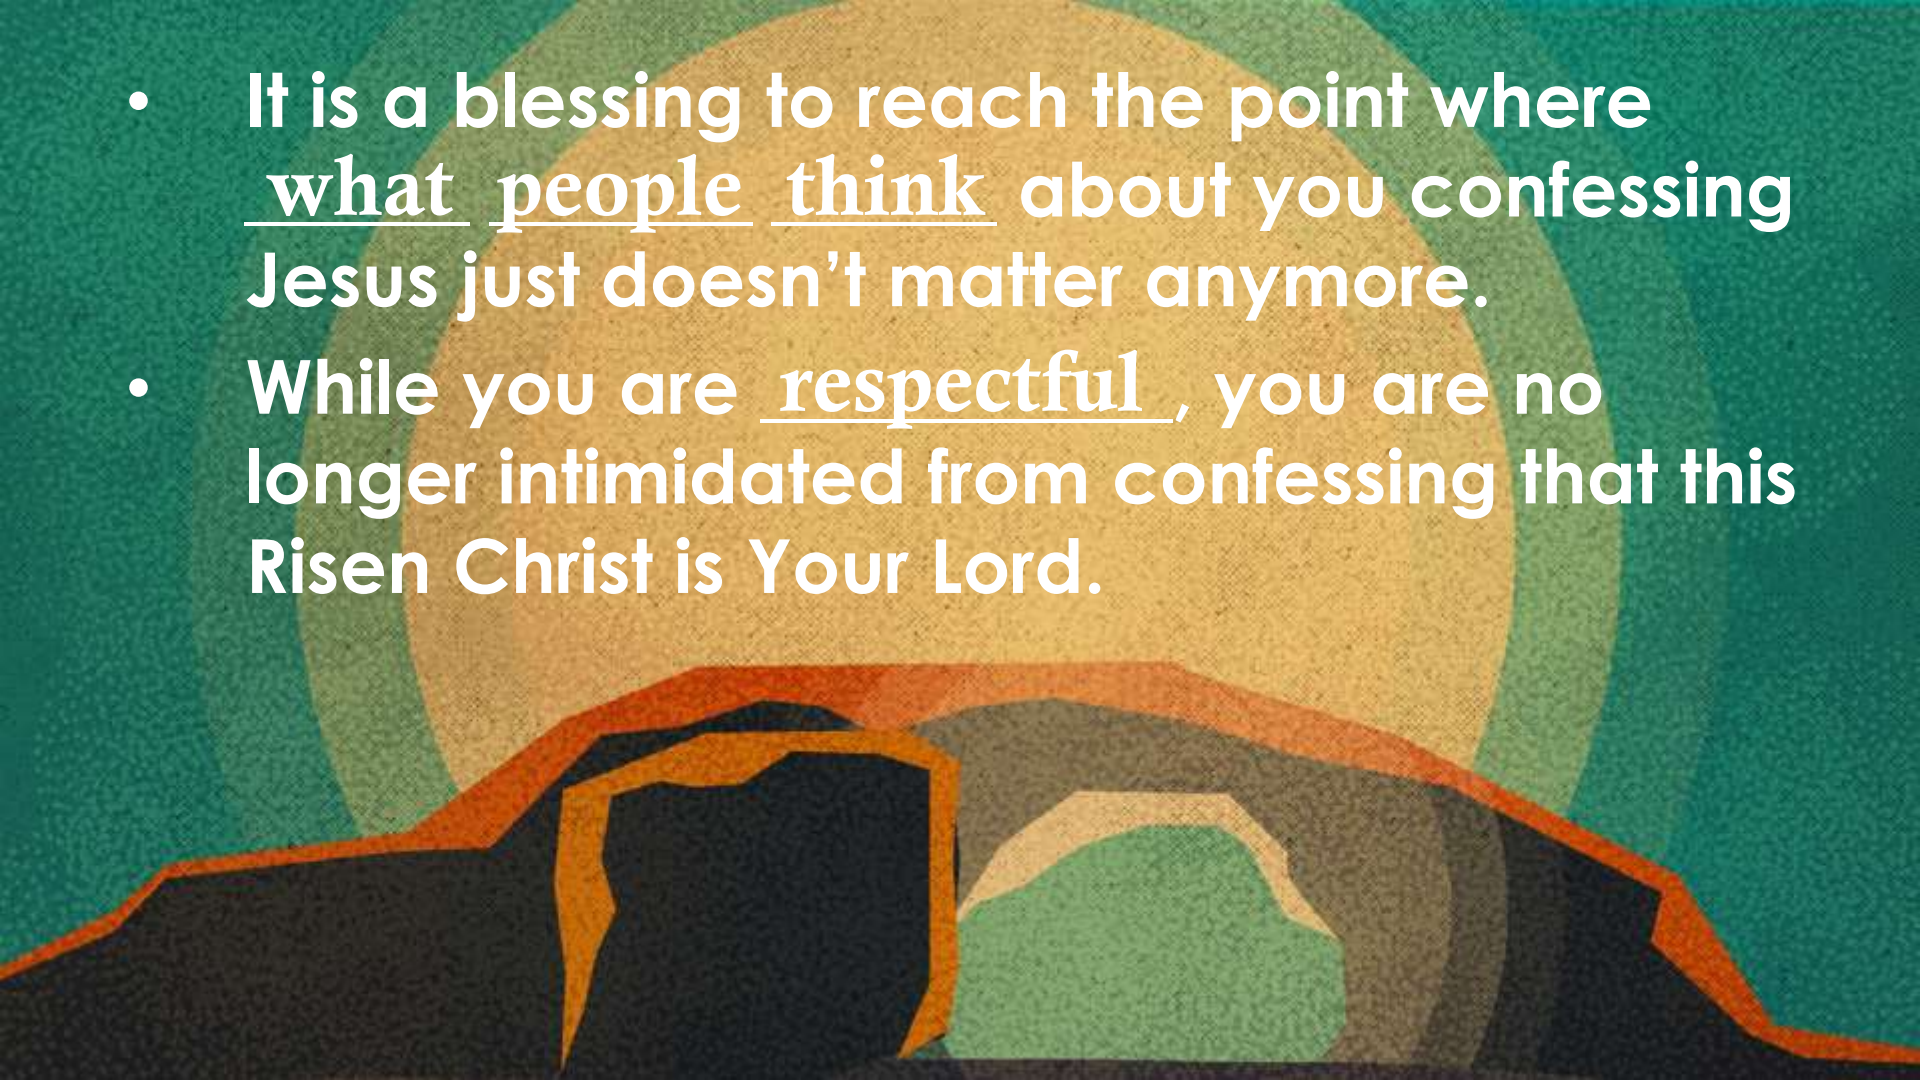

V. John 16:20-24 When the world is rejoicing they will shed tears, but their time of rejoicing is coming.

A. When Jesus is crucified the world will rejoice and they will shed tears.

B. But come Easter morning your hearts will rejoice and no one will take your joy.

C. Get to the point where being with Jesus, no matter the cost, it just does not matter anymore.

- 
- It is a blessing to reach the point where what people think about you confessing Jesus just doesn't matter anymore.
  - While you are respectful, you are no longer intimidated from confessing that this Risen Christ is Your Lord.

Jesus gives you all you need to live

*Fearlessly AND Graciously*

HE
