Dayspring

CHRISTIAN FELLOWSHIP
Prayer Family This Week
Craig and Paula S

Praise:

- We would like to first praise God for the blessings He has bestowed on our family. Our oldest, Emilie and Jay helped us so much with our move and always bring joy to us.
- Alex, our son, is now engaged to be married to Hillary on November 12th.
- Our youngest, Madison, is working hard and is finding great success as she pursues a degree at The University of Mount Union.

Pray:

- Our hope is that it is God's will to bring a baby to Jay and Emilie.
- That our family continues to find ourselves healthy and happy.
- That God will help us to find a way to bring all our children and their significant others closer to Him.
- That God will continue to help us to study and learn about the Bible so that we may walk in His ways every single day.
- For guidance for Paula as she works to increase her ability to minister by attending Second Saturday sessions.
- For guidance for Craig to make decisions about ways to bring healing to his back and a new hip injury, possibly a torn labrum.
