Revelation

We either believe in resurrection power
of Jesus or we don't.

We need to see Jesus as God's standard
revealed in Scripture.

- 
- I. 15:35-41 ... Consider a kernel of grain.
 - A. It is not until it is planted that it can release the potential of what it carries; then it multiplies.
 - B. Within each kernel DNA is already present to determine what that kernel will produce.
 - C. When we go to our grave as believers in Jesus, what is raised up is totally transformed.

- 
- II. 15:42-44 Where there is a natural body,
there is a **spiritual** body.
- A. A myth that ought to be laid to rest by
now is if you can't **see** it, it doesn't **exist**.
- B. Others let their **imagination**s run wild.

III. 15:45-49 Our connection with Adam and Jesus.

A. We get our earthly traits from Adam.

We receive our heavenly traits from Jesus.

B. Just as we have borne the image of Adam ...

So we will bear the image of Jesus .

15:50 **Contaminated** flesh and blood cannot inherit the kingdom of God, the perishable does not inherit the imperishable.

That is the seed that comes to life.
