**Prayer Family This Week**  
**Ray and Barb B**

**Praise:**

- What more do we need? We've lived into our 90's, married almost 69 years, our children, grandchildren, great grandchildren are all living, and we're still able to get around. Praise God!

**Pray:**

- For son who has severe back pain. Prayers that God would guide the doctors to have discernment in managing his pain. Prayer for healing for his pain to be gone.

**Philippians 4:19**

But my God shall supply all your needs according to his riches in glory by Christ Jesus.
