Rachel Burns is a wife to Keith, a mama to Molly and Anna, a pharmacist at Aultman Hospital, and a girl on fire with a God story to tell you!

Deanna Hutchison comes from a middle class Christian home but due to many factors including a tumultuous relationship with her dad growing up, she found comfort in drinking and drugging. She finally hit rock bottom in her mid-thirties and surrendered it all at the foot of the cross. Today Deanna is 48 years old, recently married to a man who found similar redemption in his walk with Christ. Deanna and her father have been able to make amends and grow their relationship in healthy ways. She has a very close knit family and is a proud aunt to 3 who have only known her as sober and on fire for Jesus. She is on purpose while helping other women in recovery find deliverance. Deanna and her husband, Tom, are excited to see what type of ministry God will birth in them together!

Angel Dague will be sharing how she lived 23 years in the life of drugs and prostitution and then had a visit in jail from RAHAB Ministries that drastically impacted her life. Angel never went back into that lifestyle, and she knows it is only because of the power of Christ in her. RAHAB Ministries offers hope to women and children involved in sex trafficking in the Akron, Canton and surrounding areas.

Come ready for Jesus to ignite a fresh fire in you to advance the Kingdom.
