50 days:

Easter to Pentecost

10 days:

Ascension to Pentecost

“Yes Lord,
to whatever move
You want to make in my life.”

The first followers of Jesus went
from the Upper Room
to the Waiting Room
to the Delivery Room.

I. You can't keep buried what God calls
to life.

God rules.

II. You can't keep quiet when God fires you up.

A. God SUDDENLY moved.

B. God's plan was for people to hear in their own language the good news of Jesus.

C. Too often we try to tell God what He can do instead of telling people what God has done.

III. You can't keep dismissing what God said would come.

A. Peter hoisted his voice and addressed them.

B. Jesus is this LORD and SAVIOR.

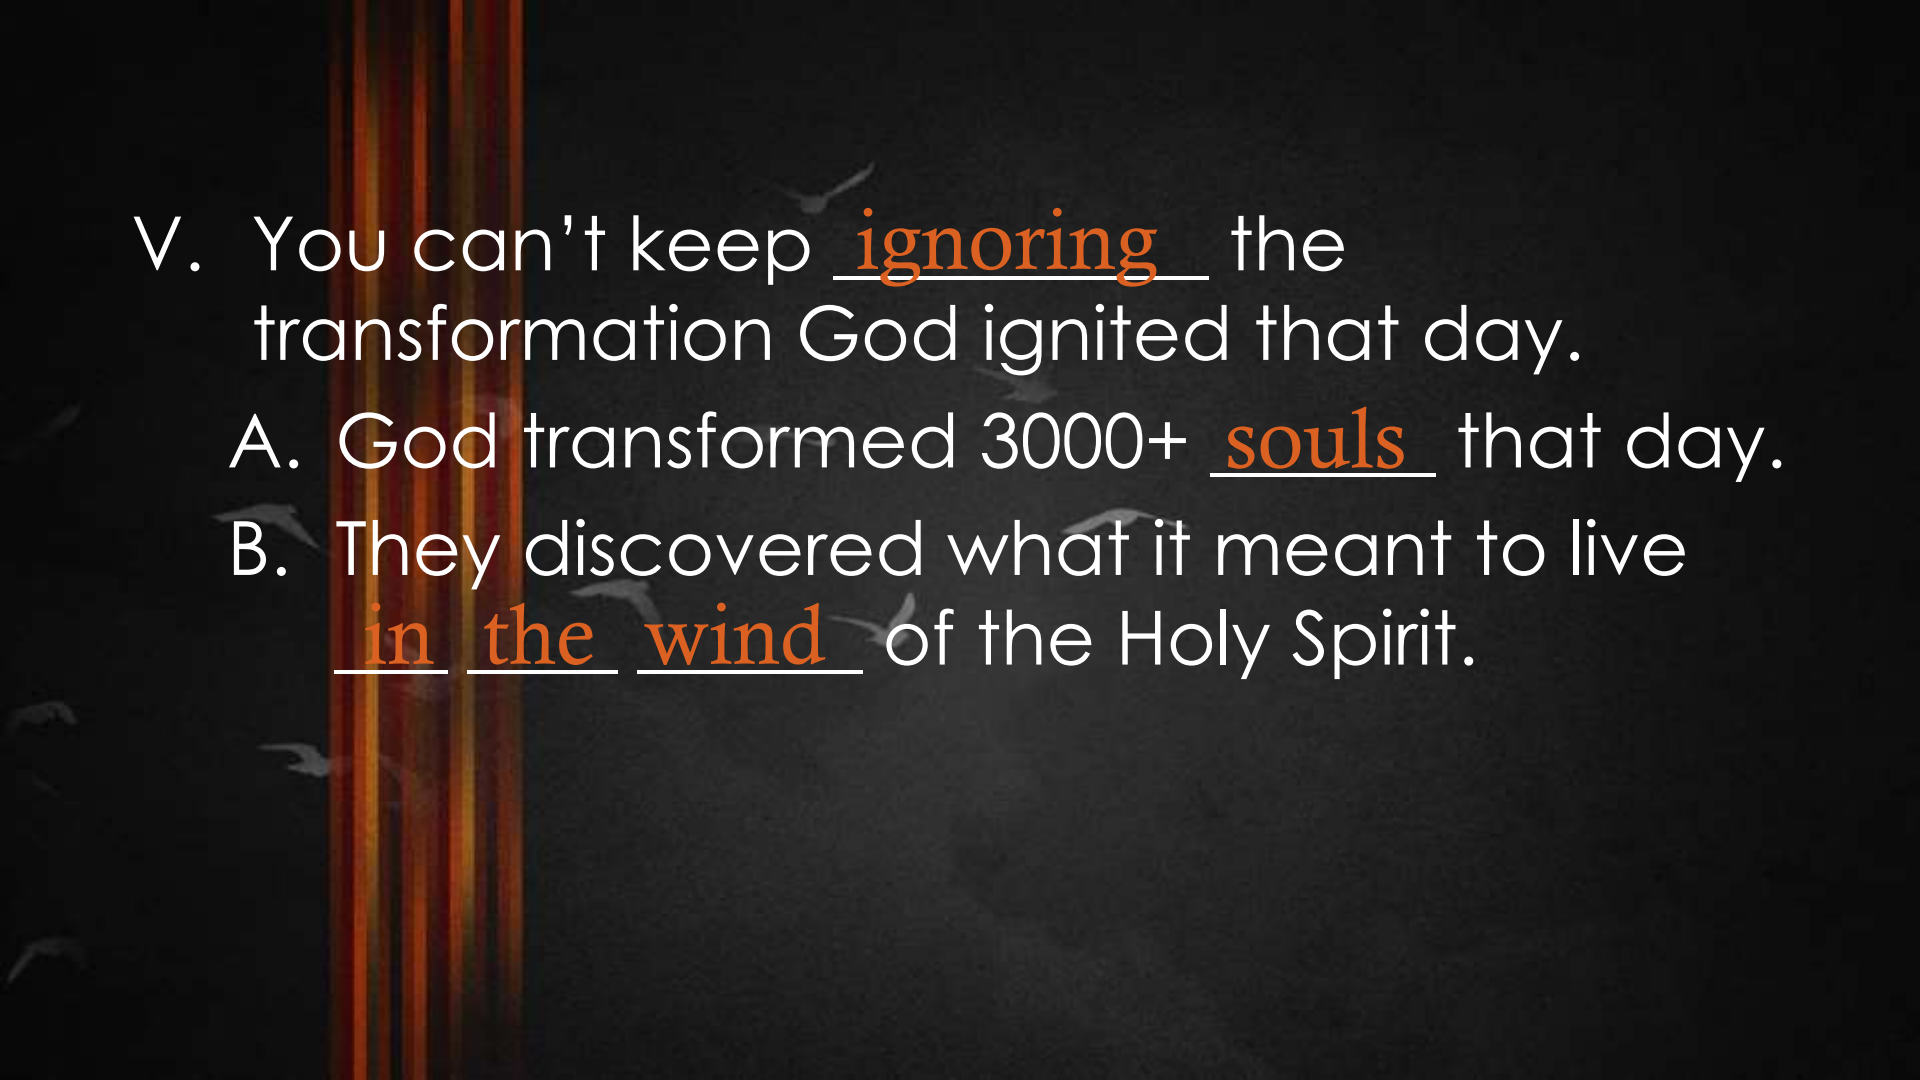

IV. You can't keep re-defining what God said is truth.

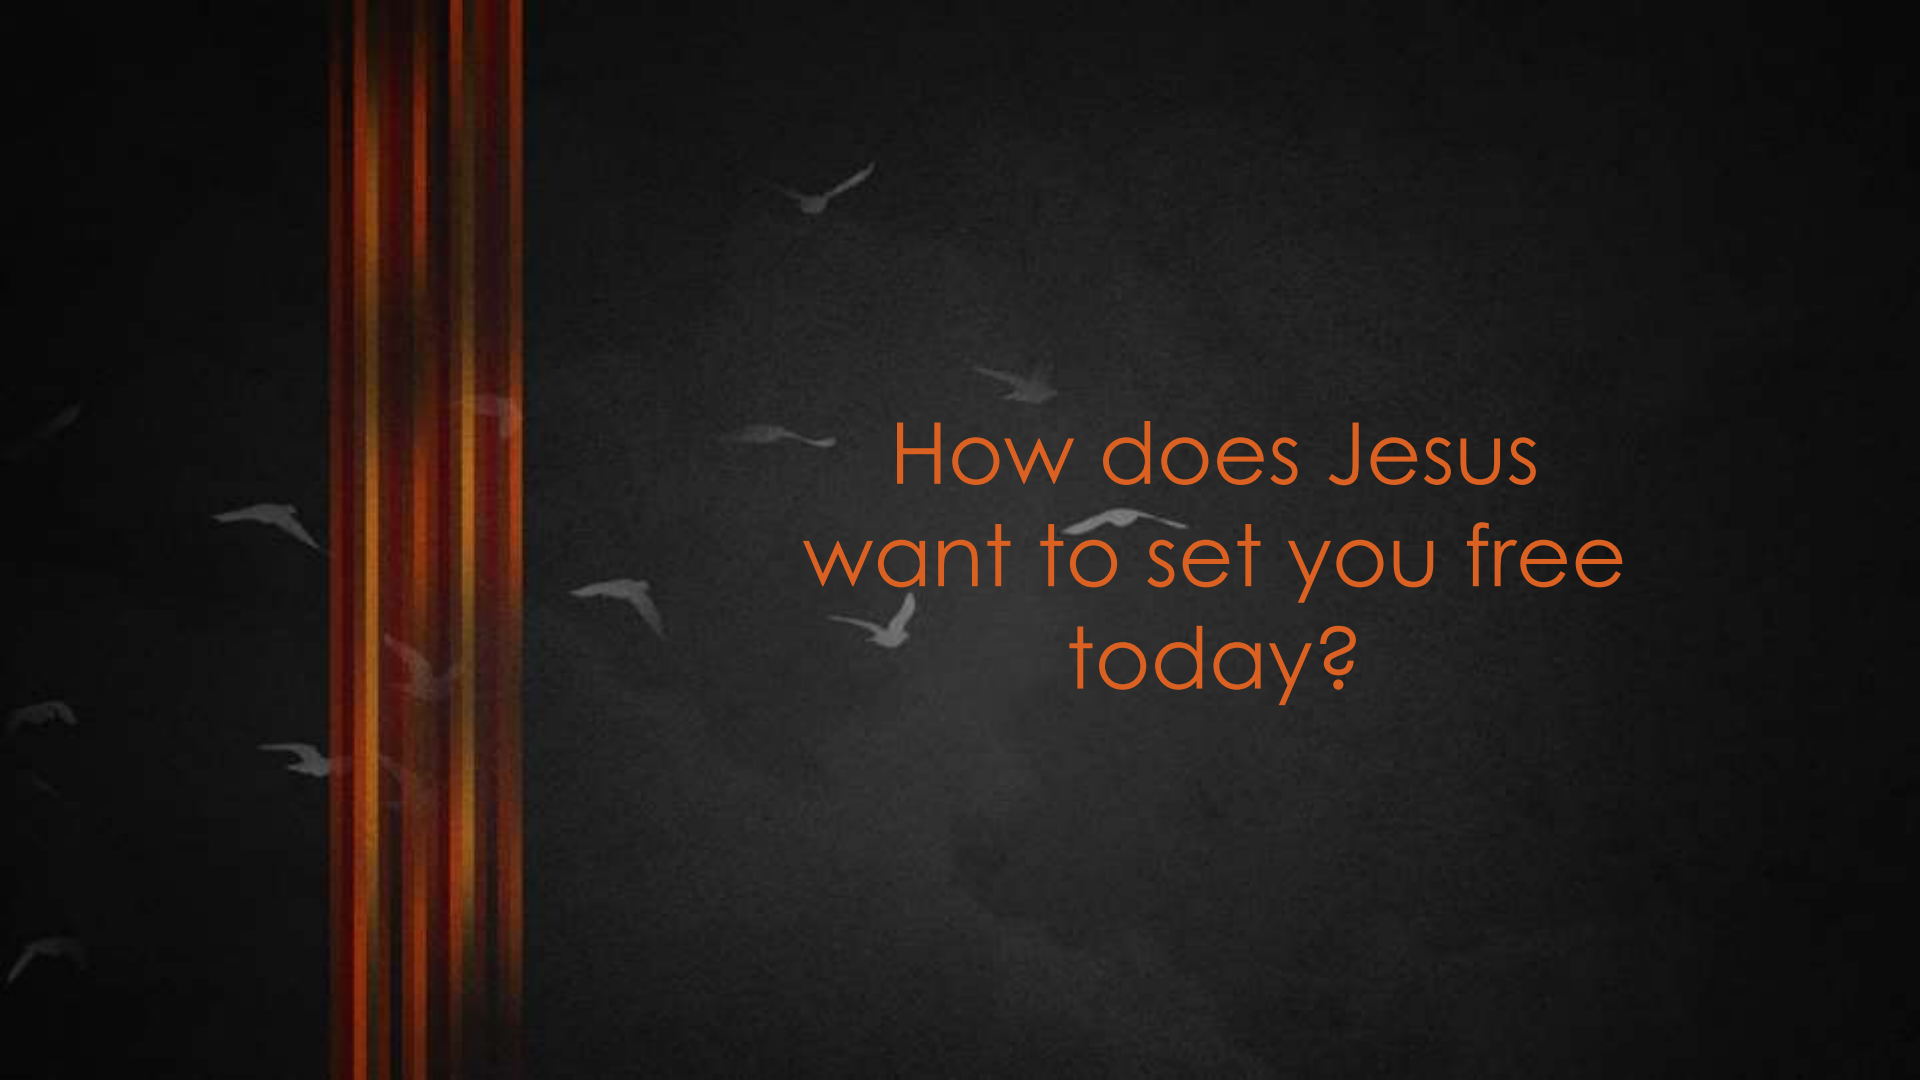

A. TRUTH: Jesus is who God says He is.

B. TRUTH: There is hope.

C. TRUTH: You do your part / God does His part.

D. TRUTH: This promise is for EVERYONE
God calls to Himself.

- 
- V. You can't keep ignoring the transformation God ignited that day.
- A. God transformed 3000+ souls that day.
- B. They discovered what it meant to live in the wind of the Holy Spirit.

How does Jesus
want to set you free
today?
