Revelation

They may not have been living the life they wanted, but this was the life they knew. *Luke 1:5-7*

When Gabriel told Zechariah his life was about to dramatically change the rest of the world was oblivious to what was happening. *Luke 1:8-13*

Gabriel gave reasons to celebrate
but Zechariah was overwhelmed
with words he would never forget.
Luke 1:14-17

Hearing “ YES ” to the heart wrenching prayer he and Elizabeth had been praying, Zechariah could not say, “I believe , help my unbelief.” *Luke 1:18-25*

Even when Zechariah and Elizabeth began to experience the thrill of the miracle, God did not tell them the whole story. *Luke 1:13-17, 2:69-79*

Do you want a “God Visit?”

- “God Visits” are not for the faint of heart.
- “God Visits” change your reality forever.
- “God Visits” do not remove the need to live by faith.
- “God Visits” are not for those who just want what they already have, only better.

God give me the courage to believe,
and help my unbelief.
