Revelation

Three key obstacles that can  
keep us from believing in or  
accepting God visits...

- I. Do you feel unworthy of a God visit?
  - A. Mary also felt insignificant.
  - B. But God has a history of choosing and using the unlikely.
  - C. God reassures of our identity in Him.

II. Do you get so caught up in the how that you miss the what and the why?

A. When God reveals Truth to us, we don't have to figure out the how. That's God's job!

III. Are you willing to let the power of the Most High overshadow you?

A. In our relationship with God, there is a hierarchy.

B. One of us is the Creator, and one of us is the created.

C. When God tells us His plans for us, it's because He wants us to choose to partner with Him.

III. Are you willing to let the power of the Most High overshadow you?

D. He doesn't overshadow us with the Holy Spirit to put us down; He does it to strengthen us.
