Revelation

The desires of the flesh
and the desires of the Spirit
are opposed.

- From a distance, a tree growing human fruits might look all right, but when we get up close we can see that the fruit is rotten.
- There are three different relationships that can be harmed by these rotten fruits:
 1. Harmful to ourselves
 2. Harmful to others
 3. Harmful to how we relate to God

LOVE

JOY

PEACE

PATIENCE

KINDNESS

GOODNESS

FAITHFULNESS

GENTLENESS

SELF-CONTROL

A tree growing the fruits of the Spirit
will be life-giving.

Instead of harming the three categories
above, it will help to repair and
restore relationships.

How do we go from being a rotten tree to a tree that produces Holy Spirit fruit?

- We have to put our human desires to death.
 - We must keep in step with the Spirit.
 - Fruits don't grow automatically; they must be nurtured.
- 

The Holy Spirit sets us up so that we
can produce good fruits,
but growth will only happen
when we remain rooted in the Spirit.

A teal fishing net is draped diagonally across the frame, from the top-left corner towards the bottom-right. The net is made of a fine mesh and has a thicker rope along its edges. The background is plain white.
