PRAYER FAMILY THIS WEEK Larry and Lois R.

PRAYER REQUESTS

We thank everyone for their support and prayer during the time that Lois was a patient at Cleveland Clinic for management of sudden loss of sight in her left eye. Lois is now home and continues with significant impaired vision. The recovery journey may be slow, long, and is uncertain. We covet your prayers for:

- 1) Total recovery of Lois' sight
- 2) Ability to make adjustments for safety and activities
- 3) For peace, hope, and comfort that can only come through God
- 4) For us as a couple, as we learn together what this may be like for our future

On the evening this occurred we were listening to a concert by Honeytown band, Kidron. The last song resonated with us. "We are not alone, we are not alone, our God is with us." We walk on from here knowing our God is with us!! We trust and believe that God is in control of our lives! While in the hospital, Lois heard a hymn in the middle of the night that gave her hope. This phrase from Great is Thy Faithfulness... "Strength for today, and bright hope for tomorrow..."
(BRIGHT HOPE = BRIGHT VISION)

ISAIAH 41:10

So do not fear, for I am with you; do not be dismayed for I am your God. I will strengthen you and help you; I will uphold you with my right hand.

PSALMS 18:2

The Lord is my rock, my fortress, and my deliverer; My God, in whom I take refuge.

JEREMIAH 29:11

"For I know the plans I have for you," says the LORD. "They are plans for good and not for disaster, to give you a future and a hope."

We thank God for you, our church family!
