PRAYER REQUESTS

- Pray for the community we serve. Several entrepreneurs are dealing with severe health and/or business challenges. (A, R, K, D and others)
- Pray for our team as we serve the community - we have two new employees coming up to speed, and we are planning a major local event in November + a new course starting in early 2026.
- Pray for our families as we travel. I will be on the road for nearly 6 weeks between the US and Scandinavia. (Mordecai)
- Pray for the financial needs of our organization.

PSALM 133:1

Behold, how good and pleasant it is when brothers dwell in unity!
