PRAYER HOUSEHOLD THIS WEEK
Carol B.

PRAYER REQUESTS

- Carol is currently working on taking care of some physical needs. This includes removing cataracts from both eyes. She has one done already and is doing the other on Wednesday, December 2. Recovery will be about a month.
- She is looking at a knee replacement at some point in the future. It's not scheduled yet but it's on the horizon. She's trying to hold off as long as she can but there are times when it's becoming more painful.
- She knows God has been with her and will continue to be with her through these procedures. God got her through her heart surgery - there was no pain after that and minimal pain with her first cataract surgery. It can be scary, but God gives her peace about it.
- Carol's daughter, Jen, and family have moved to Florida for at least three years but may stay longer. It's been good for their family, which Carol wants, but she misses them.
- God has been at work in her life since she was a teenager. She has lived her life trusting in God and knows he will continue to be faithful.
- She mostly just wants to say thank you to God.
- She wants to share her testimony as long as she can and give God the praise he deserves.

PROVERBS 3:5-6 Trust in the LORD with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths.
